

No.	Name
1	top panel
2	power wire
3	power switch
4	fan guard
5	fan
6	bottom panel
7	long output stripe
8	short output stripe
9	potentiometer
10	green light
11	yellow light
12	knob
13	European plug socket
14	main PCB
15	relay
16	drive transformer
17	mutual inductor
18	CBB capacitor
19	power transformer
20	adjustable resistor
21	IGBT
22	rectifier bridge
23	inverter radiator -1
24	inverter radiator -2
25	capacitor
26	fast recovery diode
27	diode
28	PCB fixed terminal
29	main transformer
30	shunt
31	small copper sheet
32	MOSFET
